

This half term is flying by and everyone at St Paul's has been very busy.

Well done to the Year 6 class who completed their SATs tests this week. We are very proud of the children as they all tried their best and showed brilliant efforts over recent weeks to ensure they were prepared for the tests.

St Pauls Closes

Spring bank
on Friday 26
May
3.15pm
and re-opens
Monday 12 June
8.45am

Free School meals

PLEASE HELP GENERATE MORE FUNDING

Did you know that claiming for Free School Meals entitlement generates an extra £1300 per pupil per year for the school to help support your child/children in their learning and extra curricular activities?

Even though **all** children in KS1 automatically receive the universal free school meals, any parents who are on a low income or claiming child tax credit/working families tax credit are eligible to claim for Free School Meals. Please contact the school office if you need any advice or assistance in this matter.

New Building Grand Opening!

On Friday 7 April, we officially opened the new building work . The Archdeacon, Andy Jolley , came along and cut the ribbon. He was joined by some of the School Governors, St Paul's vicar Thierry Guillemain and the architect involved with the planning. Helen Williams who works for the diocese was also present, and was instrumental in helping us source the funding for the work. The visitors were treated to tea and cake and fantastic entertainment from the school choir.

A special Quote of the week

THE DIFFERENCE BETWEEN ORDINARY AND EXTRAORDINARY IS THAT LITTLE EXTRA

Jimmy Johnson

Easter Hat Competition

Here are the winners of the Easter Hat Competition. There were some fantastic entries. Thank you and well done to all who took part.

Year 5 have been spending some time at BBEC learning music production skills. They created a new soundtrack for Flintstones and included sound effects too. They were really good and some were really funny too. Thank you to BBEC for allowing them to have these sessions. The children have really enjoyed it and have gained lots of skills too.

In ICT, Year 4 have been learning how to build simple programs using Scratch. They have developed their skills and enjoyed programming Lego robots. They have also designed algorithms for their 'sphero' ball.

The Business & Enterprise club were once again very busy last term making things to sell to raise funds. They would like to thank everyone who bought raffle tickets and gifts, your support as ever is very much appreciated.

Thank you to all the parents, carers, friends and family who attended our Easteringle service.

A big WELL DONE goes to all the children who sang beautifully and especially to the ones who bravely read some passages from the Bible or some prayers. You are all super stars and made the RE team very proud!

Accidents/Injuries in school

As we all know, accidents/injuries are inevitable, especially in a school setting where young children like to run around at break times and lunch breaks.

Most of the accidents that occur are thankfully very minor and only require small amounts of first aid. However, there are occasions where accidents/injuries are a little more serious and we need to contact parents as a matter of urgency. We are very fortunate to have a large number of staff in school who are First Aid trained, but they can only give limited treatment when injury does occur.

With this in mind, could we please urge you all to check that we have the most up-to-date contact numbers in school, and to inform the office staff of any changes that need to be made to your child's emergency contact card.
