

Message from Miss Weller and the Year 1 Team:

Thank you for all your hard work during home learning. We cannot wait to see you all back at school!

Power of Reading: This half term children will be exploring a Power of Reading text. Through this children will use adjectives to write impressive character descriptions and will also use their amazing imaginations to write their own short narratives.

Maths: Our topics in Maths are place value to 50 and measurement. Children will enhance their number skills through comparing, ordering and representing numbers. Year 1 will also develop their ability to compare and measure lengths, heights, mass and capacity.

English and Phonics: Children will revisit all sounds learnt so far. They will strengthen their understanding of letter formation and sound recognition. They will use this knowledge to help them read, write and spell lots of words to enable them to form good

RE: Our focus in RE is the Easter Story. Year 1 will identify key teachings and link these to Christian beliefs.

PSHE: In PSHE children will be exploring their feelings. They will discuss why feelings are important and how to manage them.

Music: This half term the children will be learning about body percussion to help them create musical patterns.

Other information: Mrs Kilmartin will be teaching the children Music and PE. In PE children will be practicing their striking and fielding skills. Please make sure your child comes to school ready in their PE kit on a Friday. Year 1 will have a spelling test and receive their new spellings on Mondays. Anything else that you need to know, please do not hesitate to ask ☺
