

*Message from Miss Weller and the Year 1 Team:
Happy New Year! We hope you had a relaxing break and are feeling refreshed for the new term.*

***English:** This half term we will be improving our sentence writing. Children will be encouraged to use finger spaces, capital letters and different punctuation. We will also use our phonics to blend and segment sounds in words to help us read and spell.*

***Maths:** In Maths, we will explore place value to 20 and 50 and addition and subtraction within 20. Children will develop their counting skills and mathematical symbol knowledge to help solve number problems.*

***Science:** Our focus in Science is Seasonal change. Children will discover the four seasons and different weather conditions.*

***RE:** This half term's topic is Judaism. Year 1 will learn about Jewish beliefs and worship and explore the story of Moses.*

***Geography:** In Geography, Year 1 will be looking at London in the United Kingdom. Children will research London's history, landmarks and location.*

***PSHCE:** In PSHCE we will be discovering our rights and responsibilities. Children will look at online safety and create solutions for problems.*

***Music:** This half term children will be learning about rhythm. Children will learn how to read and write rhythms using symbols and patterns.*

***Other information:** If your child is attending the school bubble, please make sure they come ready in their PE kit on a Thursday and Friday. In PE children will be enhancing their throwing and catching skills. At home, you could use 'Supermovers', PE with Joe or Cosmic Kids Yoga. All home learning information is on Class Dojo. Anything else that you need to know, please do not hesitate to ask ☺*
