

In Geography we will be looking at  
Rivers

We will be looking at the water cycle and how water flows downhill. We will also explore how people interact with rivers as well as their features. We will spend some time focusing on some of the UK's largest rivers and some around the world to improve our locational knowledge.

In PSHE,  
We will be  
focusing on  
Community

In Science we will be looking at the unit,  
Light and Dark

We will be learning about what light is, how we see objects, the difference between night and day, reflective materials and how shadows are made.

This is a year 3 unit which unfortunately was missed during the previous lockdown. In year 4 we only have five Science units so we can squeeze another one in!

In Art we are  
looking at  
Portraits

PE -  
HIIT (Joe Wicks)  
Our focus is also  
ball skills.

Year 4  
Spring 1

In RE we are looking at  
Hinduism and what it means to be  
a Hindu in Britain today.

In Maths we will be working on.  
Multiplication & Division and Fractions

We will be looking at a variety of times tables and then will move on to multiplying 2 digit numbers by a 1 digit number.

In fractions we will be looking at what a fraction is and also beginning to add and subtract them.

French  
Week 1-  
Food  
Week 2-  
Rivers  
Weeks 3-6  
Pets.

In English we will be learning about the  
Borrowers—we will be focusing on character  
and setting descriptions. We will also be doing  
poetry in the style of John Lyons.

In GPS there will be a focus on synonyms and improving vocabulary and also looking and suffixes.
