

Miss Moreton's Reading Club!

This week we allocated online reading books to pupils in Year 1 and 2 and we'd like to say thank you to everybody who has taken part and shared their experiences with us. Because of the positive feedback, we are extending online reading books to the pupils in Reception too. We also trialed a 'Story Time' with Reception and Year 1; the text 'Dear Zoo' has been brought to life and enjoyed by lots of our pupils over the last few days. As a result of the positive responses that we have received to this addition to our remote learning package, we are now extending this to Year 2.

Both the **Online Reading** and **Wednesday Story Time** are optional, additional activities. The reading club will offer extra opportunities for your child to enjoy the magic of books and enhance your child's home learning.

Online Reading

Each **Wednesday**, Miss Moreton will message all parents directly on Class Dojo to let them know which reading book has been recommended for their child that week and how to access the reading book. Optional resources and activities, such as book reviews and parent reading logs will also be available to complete via the website. We politely ask that any pupil work related to the reading book, is uploaded on to '**Miss Moreton's Reading Club' Class Dojo Page**.

Wednesday Story Time

In addition to reading books, Miss Moreton will also be recording a Story Time each week. Each Wednesday, a new Story Time will be available for your child to listen to. The optional quiz and the 'Pick and Mix' activities will be posted onto Learning Resources, on the school website. If your child completes any Story Time Activities, then please also upload these to '**Miss Moreton's Reading Club' Class Dojo Page**.

Any work uploaded onto 'Miss Moreton's Reading Club' will be responded to by the following Wednesday.

Thank you for your continued support and feedback.
