

## St Paul's C of E Primary School's Local Offer (December 2023)

We are a fully inclusive school. We aim to ensure all pupils achieve their potential, personally, socially, emotionally and academically in all areas of the curriculum, (regardless of gender, ethnicity, religion, sexual identity, physical ability or educational needs). Children may have special educational needs that require additional support when progress has slowed or stopped. We implement a graduated approach based on the guidance from Bradford Metropolitan District Council's Children's Services for SEN. This is based on an Assess-Plan-Do-Review cycle.

You can find details of Bradford's Local Offer here: <https://localoffer.bradford.gov.uk>

If a child has an Education, Health and Care Plan, then we provide the support detailed in their individual plan.

Our offer at Quality First Teaching, School Support and School Support + for each area of SEND is described below. It may not list every skill, resource and technique we employ in order to achieve this as these are continually developed and used to modify our provision to meet the changing requirements for individual pupils we serve within our community.

This covers provision in the 4 areas of need: 1. Cognition and Learning 2. Communication and Interaction 3. Social, Emotional and Mental Health 4. Sensory and/or Physical Needs

Our Special Educational Needs Coordinator is Mrs Lauren Evans who is accredited with the national award for Special Educational Needs. The named Governor is Mr Bryan P. Harrison. For further information and enquiries please contact 01274 679183.

# Universal Offer

Inclusive Quality First Teaching for **all** pupils

Universal describes quality first universal teaching which considers the learning needs of **all** pupils in the classroom. This includes adaptive teaching and learning as well as creating an effective learning environment. This is the first step to supporting children who have or may have SEND.

## Targeted provision

Additional support/interventions to support children getting to ARE.

Targeted provision describes specific, additional and time bonded interventions provided for some pupils who need help to accelerate progress. Some children's needs may also be being supported through external agencies. Children may be on the SEND register at SEND support level in line with Bradford Matrix of Need.

## Personalised Provision

Personalised provision describes provision that is needed for a few children where it is necessary to provide highly tailored intervention to accelerate progress and/or enable children to reach their potential. This may include 1:1 or specialist interventions. Children may be on the SEND register at SEND support level or may require statutory assessment or have an EHCP.

## Communication and Interaction

This version of the provision map is correct as of September 2023 and may be subject to change. It will be reviewed annually.
