

## St Paul's Geography LTP

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Reception	Where do we come from? Exploring important places in our local area. Wibsey focus.	Signs of Autumn Road Safety- our local roads Bonfire night safety	Exploring our senses in our environment- hear, smell, touch, see, taste	Signs of spring Animal life cycles- caterpillars, tadpoles, chicks	Different places around the world. Is this place like home?	Signs of summer Our local beaches? Animals under the sea
Year 1	What is it like here?		How does the weather affect us?		What is it like to live in Shanghai?	
Year 2	Would you prefer to live in a hot or a cold place?		Why is our natural world wonderful?			What is it like to live by the coast?
Year 3		Who lives in Antarctica?		Are all settlements the same?		Why are rainforests important to us?
Year 4	What are rivers and how are they used?		Why do people live near volcanoes?			Where does our food come from?
Year 5	Why do oceans matter?			What is life like in the Alps?		Where does our energy come from?
Year 6	Would you like to live in the desert?				Why does population change?	Can I carry out an independent fieldwork enquiry?
